Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

766 99 APR 14 19:54

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: As a 12 yr Cancer survivor my compound prescriptions are very necessary for my continued good health. I am unable to take the drugs offered by pharmaceutical companies. The mixed compounds have ~~not~~ made my menopause system disappear.
